How would you characterize where you live?

1. Rural: 7%
2. Semi-rural: 20%
3. Suburban: 20%
4. Close to town: 13%
5. In town: 40%
6. Other: 0%
What is your level of education?

0%  1. Less than 9th grade
0%  2. Some high school
6%  3. High school graduate
6%  4. Some college
6%  5. Associate’s Degree
6%  6. Bachelor’s Degree
75% 7. Graduate/Professional Degree
0%  8. Other
0%  9. I’d rather not say
Economy & Workforce I
(Pick top three)

1. More accessible and affordable health care; reasonable insurance premiums
2. Better vocational training and higher education options
3. Education that empowers the individual to succeed - teaches entrepreneurial skills, trades
4. Would like to see better quality education and more equal access to education
5. See everyone have an education beyond high school in order to qualify for good jobs (opportunities to keep learning)
6. Regional economy to have a strong and diverse local basis, including local farming, local entrepreneurial leadership
Economy & Workforce II
(Pick top three)

1. More diverse employment options; region too reliant on ORNL and UT
2. Government regulations that are not an impediment to production
3. Classes to show people how to manage their finances
4. Businesses tie together with resources to provide jobs and conserve natural beauty
5. Personal property rights are paramount. Less government involvement in education and employment options.
Transportation & Infrastructure I
(Pick top three)

1. No government interference in transportation choices
2. More alternatives for transportation than just the automobile
3. Reduce truck traffic on roads by increasing use of rail and barges
4. Transportation system that is not dependent upon fossil fuels
5. The automobile is the most important part of our society
6. More transportation options
Transportation & Infrastructure II
(Pick top three)

1. Shorter travel for single families in their own vehicle - flying cars
2. Need cheap energy
3. Provide better transit and transportation options
4. Let the market decide what transportation options will be available
5. Individual vehicles: Maximum individual freedom
6. Well thought-out infrastructure to support future growth and development
7. Preservation of water resources; availability of drinking water
Housing I
(Pick top three)

1. More diversity in housing stock; more housing choices with respect to location and quality
2. More single family housing in rural areas
3. More housing choices for people in different income brackets - especially in the middle
4. Freedom of choice of where to live and type of housing
5. Interested in helping housing be more accessible
6. Sustainable development from United Nations and ICLEI out
Housing II
(Pick top three)

1. Self-contained services in each community
2. More self sufficient homes and home gardens
3. Community-wide WiFi
4. Maintain right to enjoy and develop property
5. Small sustaining neighborhoods
6. Neighborhood will collectively be what each individual homeowner makes as his/her choice on his/her property
Healthy Communities I
(Pick top three)

1. More healthy lifestyle choices (restaurants, grocery stores, etc.) within a better built environment
2. Less government intrusion into healthcare
3. Would like to see better quality education and more equal access to education
4. Improved policing of the drug problem (especially meth)
5. Create a community feeling where people look out for each other and work together
6. Medical services need to move to recognizing healthcare as a right of American citizens and not as a privilege
7. Personal property rights are paramount. Less government involvement in education and employment options.
### Healthy Communities II
(Pick top three)

Environment I
(Pick top three)

1. Preservation of water resources; availability of drinking water
2. Less government intrusion in environmental regulations and otherwise
3. More alternatives for transportation than just the automobile
4. Protect lakes, mountains, and valleys from inappropriate development
5. Preserve enjoyment of and access to mountains, camping (public parks)
6. Provide necessary tools to achieve a good clean environment and great places to raise families
Environment II
(Pick top three)

1. More housing choices for people in different income brackets - especially in the middle
2. Protect agricultural land from development
3. Land needs to develop in the way that the land owners choose
4. Stable population, instead of population growth
5. Maintain clean air, clean water, and open space
Planning for the PlanET region (5 counties) benefits residents and businesses.
